University of Mississippi Medical Center
Tina Martin
2500 North State Street
Jackson, MS 39216

Dear Tina:

The American Association of College of Nursing (AACN), in partnership with Skyfactor, has created the AACN/Benchworks Nursing Assessments. Skyfactor assessments provide nursing professionals the information they need to evaluate performance, identify their contributions to professional standards and the greater institutional mission, and drive continuous improvement.

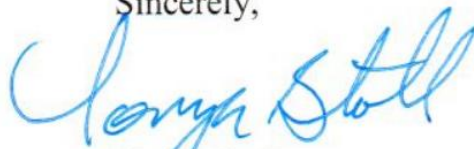

Skyfactor and AACN are the sole vendors offering the following AACN/Benchworks Nursing Assessment surveys and study results:

| |
|---|
| AACN/Benchworks Undergraduate Nursing Education Exit Assessment |
| AACN/Benchworks Undergraduate Nursing Alumni Assessment |
| AACN/Benchworks Undergraduate Nursing Employer Assessment |
| AACN/Benchworks MSN Exit Assessment |
| AACN/Benchworks MSN Alumni Assessment |
| AACN/Benchworks MSN Employer Assessment |
| AACN/Benchworks Doctor of Nursing Practice Exit Assessment |
| AACN/Benchworks Doctor of Nursing Practice Alumni Assessment |
| AACN/Benchworks Doctor of Nursing Practice Employer Assessment |
| AACN/Benchworks DNP Nurse Anesthetist Exit Assessment |

All institutions that participate in this project must order through Skyfactor. These products are not offered through any resellers or distributors.

The AACN/Benchworks Nursing Assessments are offered in either a paper administration or a Web-Enabled Survey System (WESS). The cost for both administration methods are the same.

Sincerely,

Tonya Stoll
Vice President of Operations
